

DANGER SIGNAL!

The New York Herald, Sept. 21st, 1888, says: "To endorse a counterfeit medicine is to injure the manufacturer and the buyer, and the buyers will soon drop away from the counterfeit medicine that they find worthless. Manufacturers of counterfeit articles fail because they have not the experience and apparatus of the large manufacturer to produce the same curative results. The large manufacturers have the utmost incentive, while they are protected, to make their medicine perfect and curative as possible."

PERNANDINA, NASSAU CO. Fla. I have always used the Simmons Liver Regulator and always found it to do what is claimed for it. The last bottles and packages did not go good and were worse than nothing. I see it is not put up by J. Z. Zellin & Co., and not genuine, and a waste of money to buy it. I would be glad to get the pure and genuine, sent me some from honest hands with red Z and Zellin & Co's signature on the wrapper. The fictitious stuff sold will cause some one badly.

Continual use has made Simmons Liver Regulator very popular. In order to make money from the great reputation gained by this remedy, unscrupulous adventurers have gotten up cheap counterfeits, dangerous to health, and stick on these frauds a name closely resembling the genuine, to deceive the unwary into buying their inferior goods.

None genuine except with the Z Stamp in red, on front of wrapper, the seal and the signature of J. Z. Zellin & Co. on the side.

Base Ball.

Vandalia sent up a base ball team Friday that surprised everyone who went to Sportsman's Park. From the first inning they played ball and it was only by excellent work at the points and in the field that Mexico scored a victory. The game, though by no means an errorless one, abounded in brilliant catches, stops and clever base running. In the second inning, the Mexico club became "rattled" and the Vandalias took advantage of that condition for four runs. Then they stopped and in the next seven innings only four runs were placed to their credit. Dodge and Robinson, the visitors' battery, did fair work, while Hood, the little twirler of the Mexico's, played his usual good game with Hollopeter as his backstop. Following is

THE SCORE:

Morehouse and Audrain. From the Centralia Guard.

The Mexico Intelligence misrepresents the gubernatorial contest in Audrain county. The county had all along been conceded to Morehouse, who had boasted that he would carry the county by over 1,000 majority without making a fight. Morehouse had been in the county for weeks visiting every school district, and Francis was most shamefully misrepresented and abused. It was only at the last moment that Francis decided to go into the county, with no hope of carrying it, but simply to form an acquaintance with the people. He had but a few days to meet the people and did not meet one half of them, but wherever he went carried them with him, and in the primary he came within 300 votes of carrying the county. For twenty-four hours it was in doubt. All are satisfied had he two or three days more to have given the county he would have carried it. As a cheerful liar the Intelligence is a success.

When it is taken into consideration the fact that whiskey is used largely by those who seek its medicinal benefits, the purity and merits of the whiskies sold become a question of great importance.

I. W. Harper's Nelson County Whisky has been before the public for many years, its purity is not only guaranteed by the Distiller, but is commented on by a great number of the most eminent physicians in the United States. Sold by J. T. Saunders & Co., Mexico, Mo., till July 5.

A TRIP SOUTH.—Mr. L. M. Martin, a prominent Iowa railroad man, and Superintendent of the St. Louis, Des Moines & Northern R. R. says: "On my return from a recent trip South, where the water was very impure, I was attacked with a violent case of cholera morbus. Having heard a great deal of Chamberlain's Colic, Cholera and Diarrhoea Remedy I concluded to try it, and with the most beneficial results; within six hours I was completely cured." No well regulated household should ever be without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Sold by C. R. Gibbs, Mexico, Mo.

Delicate persons, and all whose systems have become debilitated should bear in mind that Simmons Liver Regulator is not drastic, purging medicine, does not weaken or deplete the system as other purgatives do, but acts gently. It will invigorate like a glass of wine, but is no intoxicating beverage; will promote digestion, dissipate headache, and generally tone up the system.

Hon. Alex. H. Stephens, of Ga., says: "Simmons Liver Regulator is mild and suits me better than more active remedies."
